

Having your say on a safer future CORPORATE PLAN

**DEVON &
SOMERSET**
FIRE & RESCUE SERVICE

Devon and Somerset Fire and Rescue Authority is now consulting on its Draft Corporate Plan 2010/11 to 2012/13. The plan presents our intentions for the next three years and there are four specific areas on which we would like your advice and opinions: the outcomes of service delivery, emergency response standards for road traffic collisions, emergency response standards for non-domestic properties and emergency response standards for extrications (excluding RTCs).

You can view and comment on the Corporate Plan by using one of the methods below.
