

DEVON & SOMERSET FIRE AND RESCUE SERVICE

MARITIME AND COMMERCIAL TRAINING CENTRE

- COURSE:** MERCHANT NAVY ADVANCED FIREFIGHTING
- PHILOSOPHY:** This course is designed for the more experienced seamen in the merchant navy. It is also available for people who wish to gain more advanced knowledge of fire fighting on board sea going vessels.
- AIM:** At the end of the course the student will be able to demonstrate knowledge of advanced fire-fighting with the use of breathing apparatus and an understanding of command and control
- OBJECTIVES:** At the end of the course the student will have or be able to demonstrate:-
- A knowledge of the type and correct use of extinguishers
 - A knowledge of the chemistry and theory of combustion
 - A knowledge of fire fighting equipment
 - Search and Rescue in a hot environment
 - Advanced fire fighting techniques with the use of BA
 - Control of fire teams and tactical fire fighting
 - Automatic fire detection and fixed installations
- VENUE:** Maritime and Commercial Training Centre, Camels Head Fire Station, Ferndale Road, Plymouth, Devon PL2 2EL
- DURATION:** 4 Days
- CERTIFICATE:** Awarded to all delegates that successfully complete the course: *STCW 95 Regulation VI/3 and Section A-VI/3 of the STCW Code* issued under the authority of the Maritime and Coastguard Agency of the United Kingdom of Great Britain and Northern Ireland, an executive agency of the Department of the Environment, Transport and the Regions.
- ELIGIBILITY:** Students must have completed previous training equivalent to the basic course. Proof will be required (please contact for advice). Students must complete a medical statement or possess a valid medical suitable for the course.
- HOTELS:** There is no in-house accommodation within the Training Centre. However, there are hotels within the locality that offer en-suite accommodation at reasonable rates. On request, for a small administration fee, we can reserve accommodation for you and include on final invoice. Alternatively, we can supply you with contact numbers to enable you to make your own reservation.
