

Budleigh Salterton Fire Station

Budleigh Salterton is an on-call station with one fire engine that serves nearly 4,000 households. Budleigh Salterton is very close to Exmouth fire station meaning the area that it covers as a first response is limited to Budleigh Salterton itself.

Budleigh Salterton is a low activity station. Over the past five years Budleigh Salterton's fire engine has attended an average of 2.9 incidents per month, of which over 50% (92 of 174) were outside their own station area. On average there are 7.4 primary fires and 3.4 RTCs per year on Budleigh Salterton station ground. Therefore Budleigh Salterton is profiled as low risk.

	Distance from Budleigh Salterton
Exmouth Fire Station	2.2 miles
Sidmouth Fire Station	8.6 miles
Ottery St Mary Fire Station	10.3 miles
Middlemoor Fire Station	10.3 miles

Wholetime - stations staffed by firefighters 24 hours a day
On-call - stations staffed by on-call Firefighters, who attend the station when alerted by a pager
Co-responder - firefighters providing initial medical support for our ambulance service partners

The above times are indicative and may be affected by various factors
